Video Tour

Making a CMS Accessible - Ongoing Engagement

- **Open source decision-making** - online issues, IRC
- **Taking action is key** - “if just one person on this thread would post a patch...”
- **Buy-in and education** - conference calls, examples of best practices, justify using W3C
- **Documentation** - for module developers, themers, site builders, end users

Menu link title

The link text corresponding to this item that should appear in the menu. Leave blank if you do not wish to add this post to the menu.

Parent item

The maximum depth for an item and all its children is fixed at 9. Some menu items may not be available as parents if selecting them would exceed this limit.

Weight

Optional. In the menu, the heavier items will sink and the lighter items will be positioned nearer the top.

Examples: Headings

- Navigation Menus (<h2>)
- Breadcrumbs
- Search Form
- Status and Error Messages
- Pager
